Dear North High Alumni and Friends;

The Alumni Board is thankful for your continuing membership renewals and additional donations. For over 20 years, your membership renewal has made it possible for the association to award scholarships to deserving students of North High School. Without this assistance, we cannot continue. Please renew your \$25.00 donation by June 1st, so we can award at least two new scholarships starting the Fall semester.

Starting in the 1990/91 school year, through this past year we have awarded 77 scholarships for a total of \$237,000. This is thanks to you for the continued support by your membership and additional donations.

Thirty three of our scholarship recipients have graduated with your help and obtained a Bachelor's Degree within their four year aid. We even had two students graduate in three years with their degree.

We had a few students, only (6), obtain a two year Junior College Degree.

Our mentor of the year has continued with a \$500.00 award, now given for 15 consecutive years to a very deserving Educator.

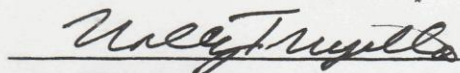

We have a confirmed date for the class of 1957, 60th Reunion. The date is April 8, 2017 and it will be a mid-day event. More information will be available on the www.nphs.us web site.

Many thanks go out to various Class Reunions that donate monies to our scholarship fund. Please contact one of our officers, if this can work for your reunion. If your class is having a reunion, our Alumni Board Member, Jim Johnson (Class of '58) runs a website. Jim's contact is jim1958@NPHS.us, or visit the site www.nphs.us, for a look at the past.

If you know any graduate from the 1960s or 1970s, we would like to add two new Board Members. Please contact one of our officers for details. We only meet six times a year at the school, mid afternoon, September thru May.

Thanks to each and every one of you for the continued support of our Scholarship efforts.

Sincerely

A.F. "Nolly" Trujillo
