Dear North High Alumni and Friends:

Scholarships

In recent years, the Alumni Board has awarded five scholarships valued at \$6,000 each to worthy North High graduates. Thanks to your contributions, we have been able to continue the tradition of these scholarship awards: twenty students have finished with four year degrees, and we are currently contributing monies to seven students who are making scheduled progress.

Notably, we have one N.A.U. student now on an exchange program attending Far East University in South Korea; we also recently had a grad complete her studies for a bachelor's degree in only three years!

Mentor of the Year

The award of \$500 was made last fall at a faculty meeting to outstanding educator, Mysti Emerson. This annual recognition has now been in place for thirteen years, and is presented in honor of "Bud" Brown, who was a long-time faculty member and mentor at North High.

Holiday Grocery Cards

Last November, the Board -- through the High School -- again donated \$750 in grocery gift cards to needy families that were selected by the North High administration. The cards were given out in increments of \$50 to fifteen families.

North High Website

Alumni Board member (Class of 1958), Jim Johnson, runs this website with special emphasis on classes from the Fifties. You can visit that site at www.NPHS.us. Our sincere "thank you" goes out to Jim for his outstanding work that has brought back such wonderful memories for so many of us.

What's next. . .

In closing, thanks to each and every one of our alumni and special friends. Your Alumni Association dues and other donations support the scholarship cause every year. Every April the recipients who receive their scholarships are very grateful for the kind of financial support the Alumni members provide so the students can continue their academic pursuits.

Please give generously so this worthy tradition can be maintained.

Thank you.

A.F. "Nolly" Trujillo
