March 2013

Dear North High Alumni and Friends:

The Alumni Board is thankful for your continuing membership renewals and additional scholarship donations. Each contributor has helped make a difference in the lives of many deserving North High students. With a new year renewal of your membership is very important it enables us to keep up the good work we have been doing for over 23 years.

Scholarships

This past year we were only able to award 3 scholarships due to lack of membership donations. Currently we have eleven students in various colleges/universities and funds committed to get them through the rest of their college/university years. Beginning with the 1990/91 school year we have awarded 73 scholarships, some students didn't renew their scholarship after the first year, others dropped out of school, however 33 students graduated and 11 are still in school. Without your generosity this could not have happened. By renewing your Alumni Association membership, you can help us continue making an important difference in the lives of a few deserving North High graduates.

Mentor of the Year

For the 2011-2012 school year the scholarship recipients chose educator Nicholas Valenti for the \$500 Mentor of the Year award. This is the thirteenth consecutive year this award has been made by the North High School Alumni Association – a proud tradition and founded by a member of the North High Alumni and graciously donates the funds for this worthy cause so the scholarship monies are never touched.

Special Recognition

A special thank you to the various class reunion committees' who donate monies left from their reunions to the scholarship fund. If you are having a reunion and don't know what to do with any money left after the activity we would be more than grateful to accept it as a donation to the scholarship fund. Contact one of the officers for further information.

Over, please. . .

North High Website

Alumni Board member Jim Johnson (Class of 1958) runs a website with special emphasis on classes of the Fifties. If you are going to have a reunion and want it posted on this website you can contact Jim at jim1958@nphs.us or just visit the site www.nphs.us for a look at the past. Our thanks go out to Jim for his outstanding work.

Thank you all . . .

Thank you again for your contributions and support. Please help us boost our membership roster by contacting your friends and former classmates who graduated from North High, and promoting our program so we can continue our worthy work.

If you are interested in serving on our NHSAA Board (we meet 6 times yearly), please contact one of our officers for more details. We especially need some additional Board members from the Sixties or Seventies.

Sincerely,

A.F. "Nolly" Trujillo
