February 2007

Dear North High Alumni and Friends:

The Board of Directors of the Alumni Association would like to start this letter by wishing all of you a Happy New Year and best wishes for a healthy, successful one!

The 2006 Mentor of the Year award, given in honor of F.V. "Bud" Brown, was presented to teacher George Thompson. The \$500 award was privately donated and presented by Toni Kirby at the December 2006 faculty meeting. George's name has been added to the brass and wood plaque hanging at the front door of the North High office.

It is also our dubious duty to inform those of you who do not know that Bud Brown's Barn on northern Avenue is no more. The property has been purchased, the barn buildings destroyed, and the plan is to turn the property into a Senior Home. We like to feel that Bud would have approved of this use, but it is sad to see it go. We had so many happy times there, and it will be long remembered.

The past holiday season was again celebrated by a donation of \$600 from the Alumni Association for Thanksgiving and Christmas help to families of North High students in need. The families were selected by counselors, and the money and/or gift cards were distributed by the Book Store. Zack Munos, the school principal, reported that he had received a number of thank-you notes for the contribution.

The 2006 Alumni Association scholarship winners were Adam Ryes, Eduardo Corral, Christina Reyes and Danielle Yanez. Over the course of four years, they may each receive \$6,000, providing they maintain an adequate grade average. It is because of your donations and memberships that we, as an association, can provide this much needed help to students that might otherwise not be able to attend college. We are now funding 17 scholarships, and 5 out of the 17 students will hopefully be graduating this year after attending four years of college. We are proud of this splendid record, which gives you some idea of why we always stress that any kind of contribution is appreciated and necessary.

The election this year for AA Board members presented us with the same slate as the last few years: A.F. Trujillo, President; K. Trimble, Vice-President; Toni Kirby, Treasurer; and Shirley Reiman, Secretary. At the last Board meeting, this circumstance brought up the topic of the need for new blood, both as officers and Association members. Any suggestions as to how to accomplish this would be appreciated.

If you are interested in attending a Board meeting, please contact one of our officers for details.

We have received information that the Class of 1957 will have a reunion on October 5-6, 2007, at the Scottsdale Plaza Resort. Details will be on the website, www.embark.to/NPHS.

As you may know, the Association is not involved in any reunion planning. We are happy to share reunion news we receive, however. Please let us know of your plans. . . perhaps we can even send an Association representative to your event!

Sincerely,

K Trimble
NHSAA Vice President
