Dear North High Alumni and Friends:

Thanks to our loyal Alumni Association members; we will be able to continue awarding five scholarships valued at \$6,000 to deserving Seniors graduating from North High. Our scholarships are awarded per semester, at \$750 for eight consecutive semesters, and the recipients must carry a minimum of twelve semester hours maintaining a 2.5 grade average

Due to a proposal by the Maricopa County Community College Administration, the increase per credit hour is going up to \$76.00. Now starting in the 2009-10 school year, a student carrying a normal 15 hour load will be paying \$1140 plus books and fees per semester. We are hoping that, with increased alumni members and additional donations, we can increase our awards to \$11000 per semester by the 2010-11 school year. Since many of our recipients attend our community colleges in the Valley, this increase in aid would make it possible for some students to carry an increased number of credit hours.

Three of our prior scholarship winners graduated this past year with four-year degrees Beyond their personal commitments and hard work, this can only be attributed to the continued support by our North High School Alumni Association.

Last fall our annual Mentor of the Year award of \$500 was made to Paul Loews for his outstanding contributions to North High students, both individually and collectively. Mr. Loews' name will be added to the brass and wood plaque in the administration office.

During the holiday season, fifteen families were awarded \$50 gift certificates to help fund their holiday meals. Our Principal, Edith Macklin-Garcia and faculty counselors designated the recipient families.

The classes of 1943/44/45 will have an alumni gathering on October 8, 2009, at the Wrigley Mansion. Please contact our long-time alumni board member, Mary Lou Bennett, at 480- 994-5335 for additional information.

Along similar lines, we are conducting a survey to find out how many are interested in attending a one-day/all-class event (an early afternoon function --buffet luncheon, perhaps?). Please check the appropriate box at the bottom of the alumni membership renewal form, indicating whether you would like to attend such an event in Fall 2009 or Spring 2010.

The alumni Board is thankful for the continuing membership renewals and additional scholarship donations. Each contributor has helped make a difference in the lives of many deserving North High graduates.

If you are interested in serving on our NHSSA Board, please contact one of our officers* for more details. We especially need some additional Board members from the Sixties.

Thank you again for your contributions and support. roster sO we can continue our worthy work.

Please help us boost our membership

Sincerely, ., A.F. "Nolly" Trujillo
